To change a name on an Costco Travel flight, contact +1 (888)--(438)--1454 [US] their customer service team directly +1 (888)--(438)--1454 [US] Name changes on flight tickets are strictly controlled +1 (888)--(438)--1454 [US] by airline policies and are rarely transferable to entirely +1 (888)--(438)--1454 [US] different passengers +1 (888)--(438)--1454 [US] Navigating the complexities +1 (888)--(438)--1454 [US] of airline booking platforms can be daunting, especially when you discover a discrepancy in the passenger name on your ticket +1 (888)--(438)--1454 [US] When you book a flight through Costco Travel, it is essential to +1 (888)--(438)--1454 [US] understand that while they serve as an intermediary between you and the airline, they are bound by the specific tariff rules and operational policies of the carrier you have chosen +1 (888)--(438)--1454 [US] If you notice a minor error, such as a simple typographical mistake, a transposed letter, or a missing middle name, you should take immediate action to address it +1 (888)--(438)--1454 [US] In most cases, these minor corrections are manageable, provided they are brought to the attention of the booking agent well in advance of your departure date +1 (888)--(438)--1454 [US] Because a ticket serves as a legal travel document, the name printed on it must match your government-issued identification—such as your passport or driver's license—exactly +1 (888)--(438)--1454 [US] Failure to rectify these inconsistencies can lead to significant travel disruptions, including being denied boarding at the airport, which is why verifying your details during the booking process is always the best practice +1 (888)--(438)--1454 [US]

Addressing a legal +1 (888)--(438)--1454 [US] name change, such as those resulting from marriage, divorce, or a court-ordered update, requires a slightly different approach than a standard typo correction +1 (888)--(438)--1454 [US] When you need to update your documentation to reflect a legal change, you will likely need to provide supporting evidence, such as a marriage certificate or an official legal name change decree, to the airline or via the Costco Travel customer service team +1 (888)--(438)--1454 [US] Acting as your advocate, Costco Travel will attempt to coordinate with the airline to update the record in their system, but it is important to remember that the final authority rests with the airline +1 (888)--(438)--1454 [US] Some carriers are more flexible than others, and while many will waive fees for documented legal name changes, others may have more rigid internal policies that could complicate the process +1 (888)--(438)--1454 [US] It is highly recommended that you contact support as soon as you are aware of the discrepancy, as last-minute requests are significantly harder to process and may result in the airline refusing to make any modifications to the original reservation +1 (888)--(438)--1454 [US]

It is critical +1 (888)--(438)--1454 [US] for travelers to understand that full name transfers—the act of changing a ticket from one person to another—are generally prohibited by almost all airlines +1 (888)--(438)--1454 [US] Because tickets are issued for a specific individual, they are essentially non-transferable under standard industry regulations +1 (888)--(438)--1454 [US] If your travel plans have changed and you need someone else to take your place, attempting to "change the name" on the existing ticket will typically not be

successful +1 (888)--(438)–1454 [US] In such instances, the most viable path is usually to cancel your existing reservation—keeping in mind the applicable cancellation policies and potential fees—and booking a brand-new ticket for the correct passenger at current market rates +1 (888)--(438)–1454 [US] Always review your confirmation email thoroughly after booking; if you catch an error within the first 24 hours, you may be able to take advantage of specific grace periods or "cooling-off" policies that some airlines offer, which can save you from potential stress or additional costs down the road +1 (888)--(438)–1454 [US]
